It is occasionally necessary to contact a parent regarding a student emergency such as an accident or sudden illness. If an emergency occurs at school, or on a school-sponsored activity, efforts will be made to contact the parent/guardian. If the parent/guardian cannot be reached, an attempt to contact the identified emergency person and/or the family doctor will be made.

In case of serious illness or accident to my above named student, the school is hereby authorized to call or take him/her to the following doctor for emergency treatment:

Doctor: _____

If a doctor is not named, or if the named doctor cannot be reached, I hereby grant permission to any qualified physician or medical care center to provide emergency medical treatment for my child.

In the event that an injury or illness is so severe that immediate medical treatment is necessary, school officials will exercise good judgment by calling 911. The parent/guardian will be contacted as soon as possible.
